Where are those happy times? They seem so hard to find.
Rem                 La7                            Rem
I try to reach for you, but you have closed your mind.
Fa                 Do
Whatever happened to our love?
Solm           Rem
I wish I understood.
Rem              La7                     Rem
It used to be so nice, it used to be so good.

Fa             Do       Solm              Sib
So when you're near me, darling can't you hear me,

You seem so far away though you are standing near.
Rem               La7                         Rem
You make me feel alive but something died, I fear.
Fa                Do           Solm           Rem
I really tried to make it up - I wish I understood.
