

Everytime you go away - Paul Young

Sol Do Re (x2)

Sol Sim
Babe, if we can solve any problem,
Do Re
Why do we lose so many tears
Sol Sim
Oh, and so you go again,
Do Re
When the leading man appears
Mim Si
Oh, Always the same theme
Do Soldim
Can't you see, we've got everything
goin' on and on and on

Sol Mim
Every time you go away
Lam Re
you take a piece of me with you
Sol Mim
Every time you go away
Lam Re
you take a piece of me with you

Sol Do Re

Sol Sim Do Re
Go on and go free, maybe you're too close to see
Sol Sim Do Re
I can feel your body move, it doesn't mean that much to me
Mim Si
I can't go on, sayin' the same thing
Do Soldim
Just can't you see, we've got everything
do you even know we know

Sol Mim
Every time you go away
Lam Re
you take a piece of me with you
Sol Mim
Every time you go away
Lam Re
you take a piece of me with you

Sol Do Re (x2)

Mim Si
I can't go on sayin' the same thing
Do Soldim
Cause baby, cancha see, we've got everything
goin' on and on and on
Sol Mim
Every time you go away
