

## Say something - A Great Big World feat. Christina Aguilera

Sol Sim Sol Re

Sim Sol Re  
Say something, I'm giving up on you  
Sim Sol Re  
I'll be the one, if you want me to  
Sim Sol Re  
Anywhere, I would've followed you  
Sim Sol Re  
Say something, I'm giving up on you

Re Fa#m  
And I am feeling so small  
Sol Re La  
It was over my head I know nothing at all  
Re Fa#m  
And I will stumble and fall  
Sol Re La  
I'm still learning to love Just starting to crawl

Sim Sol Re  
Say something, I'm giving up on you  
Sim Sol Re  
I'm sorry that I couldn't get to you  
Sim Sol Re  
Anywhere, I would've followed you  
Sim Sol Re  
Say something, I'm giving up on you

Re Fa#m  
And I will swallow my pride  
Sol Re La  
You're the one that I love and I'm saying goodbye  
Sim Sol Re La  
Say something, I'm giving up on you  
Sim Sol Re La  
And I'm sorry that I couldn't get to you  
Sim Sol Re La  
And anywhere, I would've followed you  
Sim Sol Re La  
Say something, I'm giving up on you  
Sim Sol Re La  
Say something, I'm giving up on you  
Sim Sol Re  
Say something
