

*The winner takes it all - ABBA*

Sol Mim7 Lam Re7 (x2)

Sol  
I don't wanna talk  
Re  
About the things we've gone through  
Lam  
Though it's hurting me  
Re7  
Now it's history

Sol  
I've played all my cards  
Re  
And that's what you've done too  
Lam  
Nothing more to say  
Re7  
No more ace to play

Sol  
The winner takes it all  
Mim7  
The loser standing small  
Lam  
Beside the victory  
Re7  
That's her destiny

Sol  
I was in your arms  
Re  
Thinking I belonged there  
Lam  
I figured it made sense  
Re7  
Building me a fence  
Sol  
Building me a home  
Re  
Thinking I'd be strong there  
Lam  
But I was a fool  
Re7  
Playing by the rules

Sol  
The gods may throw a dice  
Mim7  
Their minds as cold as ice  
Lam  
And someone way down here  
Re7  
Loses someone dear

Sol  
The winner takes it all  
Mim7  
The loser has to fall  
Lam  
It's simple and it's plain  
Re7  
Why should I complain.

Sol  
But tell me does she kiss  
Re  
Like I used to kiss you?  
Lam  
Does it feel the same  
Re7  
When she calls your name?

Sol  
Somewhere deep inside  
Re  
You must know I miss you  
Lam  
But what can I say  
Re7  
Rules must be obeyed

Sol  
The judges will decide  
Mim7  
The likes of me abide  
Lam  
Spectators of the show  
Re7  
Always staying low

Sol  
The game is on again  
Mim7  
A lover or a friend  
Lam  
A big thing or a small  
Re  
The winner takes it all

Sol  
I don't wanna talk  
Re  
If it makes you feel sad  
Lam  
And I understand  
Re7  
You've come to shake my hand

Sol  
I apologize  
Re  
If it makes you feel bad

Lam  
Seeing me so tense  
Re7  
No self-confidence

But you see

Sol Mim7  
The winner takes it all

Lam Re  
The winner takes it all
