

## Rolling in the deep - Adele

Dom Solm  
There's a fire starting in my heart,  
Sib Solm Sib  
Reaching a fever pitch and it's bringing me out the dark  
Dom Solm  
Finally, I can see you crystal clear.  
Sib Solm Sib  
Go ahead and sell me out and I'll lay your ship bare.  
Dom Solm  
See how I leave, with every piece of you  
Sib Solm Sib  
Don't underestimate the things that I will do.  
Dom Solm  
There's a fire starting in my heart,  
Sib Solm Sib  
Reaching a fever pitch and it's bringing me out the dark

Lab Sib Solm  
The scars of your love, remind me of us.  
Lab  
They keep me thinking that we almost had it all  
Lab Sib Solm  
The scars of your love, they leave me breathless  
Sol  
I can't help feeling...

Dom Sib  
We could have had it all...  
(I wish you, never had met me)...  
Lab Sib  
Rolling in the Deep  
(Tears are gonna fall, rolling in the deep)  
Dom Sib  
Your had my heart Inside of your hand  
(I wish you)... (Never had met me)  
Lab Sib  
And you played it... )... To the beat  
(Tears are gonna fall (Rolling in the deep)

Dom Solm  
Baby I have no story to be told,  
Sib Solm Sib  
But I've heard one of you and I'm gonna make your head burn.  
Dom Solm  
Think of me in the depths of your despair.  
Sib Solm Sib  
Making a home down there, as mine sure won't be shared.

Lab Sib Solm  
The scars of your love, remind me of us.  
Lab  
They keep me thinking that we almost had it all  
Lab Sib Solm  
The scars of your love, they leave me breathless  
Sol  
I can't help feeling...
