

## Petri Alanko - The poet and the muse

Sim La Fa#m Sol La Fa#m Sim

Sim

There's an old town wrought  
With mystery of Tom

La

The poet and his muse

Fa#m

And the magic lake

Sol

Which gave a life

La Fa#m Sim

To the words the poet used

Sim

Now the muse she was his happiness

La

And he rhymed about her grace

Fa#m Sol

And told her stories of treasures

La Fa#m Sim

Deep beneath the blackened waves

Sim

Till in the stillness of one dawn

La

Still in its mystic crown

Fa#m Sol

The muse she went down to the lake

La Fa#m Sim

And in the waves she drowned

Sol Fa#m

And now to see your love set free

Sim Mi

You will need the witches cabin key

Mim Fa#m

Find the lady of the light gone mad with the night

Sol La Sim

That's how you reshape destiny

Sim

The Poet came down to the lake

La

To call out to his dear

Fa#m Sol

When there was no answer

La Fa#m Sim

He was overcome with fear

Sim

He searched in vain for his treasure lost

La

And too soon the night would fall

Fa#m Sol

And only his own echo

La Fa#m Sim

Would wail back at his call

Sim

And when he swore to bring back his love

La  
 By the stories he'd create  
 Fa#m Sol  
 Nightmares shifted endlessly  
 La Fa#m Sim  
 In the darkness of the lake  
 Sol Fa#m  
 And now to see your love set free  
 Sim Mi  
 You will need the witches cabin key  
 Mim Fa#m  
 Find the lady of the light gone mad with the night  
 Sol La Sim  
 That's how you reshape destiny  
 Sim  
 In the dead of night she came to him  
 La  
 with darkness in her eyes  
 Fa#m Sol  
 Wearing a mourning gown  
 La Fa#m Sim  
 Sweet words as her disguise  
 Sim  
 He took her in without a word  
 La  
 For he saw his grave mistake  
 Fa#m Sol  
 And vowed them both to silence  
 La Fa#m Sim  
 Deep beneath the lake  
 Sim  
 Now if its real or just a dream  
 La  
 One mystery remains  
 Fa#m  
 For it is said  
 Sol  
 On moonless nights  
 La Fa#m Sim  
 they may still haunt this place  
 Sol La Sim Mi Mim Fa#m Sol La Sim  
 Sol Fa#m  
 And now to see your love set free  
 Sim Mi  
 You will need the witches cabin key  
 Mim Fa#m  
 Find the lady of the light gone mad with the night
