Mimaj7

Girl, I've known you very well,
I've seen you growing every day.

La/Si

I never really looked before,
But now you take my breath away.

Mimaj7

Suddenly you're in my life,
Part of everything I do.

La/Si

You got me working day and night,
Just trying to keep a hold on you.

Sol La Remaj7 Sim

. Here in your arms I found my para - dise,

Sol La Fa#m

. My only chance for happi-ness.

Sol La Remaj7 Sim

. And if I lose you now I think I would die.

Domaj7

Oh, say you'll always be my baby, we can make it shine,

La/Si

We can take forever, just a minute at a time.

Domaj7 Sol Lam

. More than a woman, more than a woman to me.

Domaj7 Sol Lam

. More than a woman, more than a woman to me.

Mimaj7

There are stories old and true,
Of people so in love like you,

La/Si

And me and I can see myself,
Let history repeat itself.

Mimaj7

Reflecting how I feel for you,
Thinking about those people then,

La/Si

I know that in a thousand years,
I'd fall in love with you again.

Sol La Remaj7 Sim

. This is the only way that we should fly,

Sol La Fa#m

. This is the only way to go,

Sol La Remaj7 Sim

. And if I lose your love I know I would die.

Domaj7

Oh, say you'll always be my baby, we can make it shine

La/Si

We can take forever, just a minute at a time.
