

Bed Of Roses - Bon Jovi

Sib Fa Sib Fa 2v

Sib
Sitting here wasted and wounded
Fa
This old piano
Sib
Trying hard to capture the moment
Fa
This morning I don't know
Lam Sib
'Cause a bottle of vodka is still lodged in my head
Fa
And some blond gave me nightmares
Sib
Think she's still in my bed
Sib
As I dream about movies
Do Fa
they won't make of me when I'm dead
Sib
With an ironclad fist
Fa
I wake up, and French kiss the morning
Sib
While some marching band keeps its own beat
Fa
In my head while we're talking
Lam Sib
About all of the things, that I long to believe
Fa
About love, the truth, what you mean to me
Sib
And the truth is
Sib Do Fa
Baby, you're all that I need
Rem Do Sib Fa
I wanna lay you down in a bed of roses
Rem Do Sib Fa
For tonite I sleep on a bed of nails
Sib
Oh, I want to be
Fa Sib Fa
Just as close as the Holy Ghost is
Rem Do Sib Fa
And lay you down On a bed of roses

Sib
Well I'm so far away
Fa
Step that I take is on my way home
Sib
King's ransom in dimes
Fa
Given each night to see through this payphone
Lam
Still I run out of time
Sib
Or it's hard to get through
Fa
Till the bird on the wire flies me back to you
Sib
I'll just close my eyes, whisper

Sib Do Fa Fa Do
Baby, blind love is true

Rem Do Sib Fa
I wanna lay you down in a bed of roses

Rem Do Sib Fa
For tonite I sleep on a bed of nails

Sib Fa
Oh, I want to be just as close as
Sib Fa

The Holy Ghost is

Rem Do Sib Fa Do
And lay you down On a bed of roses

Sib
Well this hotel bar hangover

Do Fa
Whiskey's gone dry the barkeeper's wig's crooked
And she's giving me the eye

Sib
might have said yeah I But I laughed so hard
Do Fa
I think I died, uh yeah!

Rem Do Sib Fa 3v Rem Do Sib Fa

Sib
Now as you close your eyes

Fa
Know I'll be thinking about you
Sib

While my mistress she calls me

Fa
To stand in her spotlight again

Sib
Tonight, I won't be alone

Fa
But you know that don't mean I'm not lonely

Rem Do Sib
I've got nothing to prove for it's you

Fa Do
That I'd die to defend

Rem Do Sib Fa
I wanna lay you down in a bed of roses

Rem Do Sib Fa
For tonite I sleep on a bed of nails

Sib Fa
Oh, I want to be just as close as
Sib Fa

The Holy Ghost is

Rem Do Sib

And lay you down

Rem Do Sib Fa
I wanna lay you down in a bed of roses

Rem Do Sib Fa
For tonite I sleep on a bed of nails

Sib Fa
Oh, I want to be just as close as
Sib Fa

The Holy Ghost is

Rem Do Sib

Fa
And lay you down On a bed of roses
