Sol Re  
Wake up you sleepy head  
Mi4 Mim  
Put on some clothes shake off your bed  
Sol Re  
Put another log on the fire for me  
La Mi  
I've made some breakfast and coffee  
Sol Re  
Look out my window, what do I see  
Si7 Mim Fa Do  
A crack in the sky and a hand reaching down to me  
La7 Re  
All the nightmares came today  
Sol Mib Re Mib Si Fa#  
And it looks as though they're here to stay  
Sol Re  
What are we coming to  
Mi Mim  
No room for me no fun for you  
Sol Re  
I think about a world to come  
La Mi  
Where the books were found by the Golden Ones  
Sol Re  
Written in pain written in awe  
Si7 Mim Do  
By a puzzled man who questioned what we were here for  
La7 Re  
All the strangers came today  
Sol  
And it looks as though they're here to stay  
Sol Sim Mim  
Oh you pretty things  
Re Do7 Sol  
Don't you know you're driving your mamas and papas insane?  
Sol Sim Mim  
Oh you pretty things  
Re Do7 Sol  
Don't you know you're driving your mamas and papas insane?  
La  
Let me make it plain  
Re Do Sol  
Gotta make way for the homo superior  
Re  
Look out at your children  
Mi4 Mim  
See their faces in golden rays  
Sol Re  
Don't kid yourself they belong to you  
La Mi  
They're the start of the coming race  
Sol  
The earth is a bitch  
Re  
We've finished our news
