

Ziggy Stardust - David Bowie

Sol Re Resus4 Re Resus4 Re Do Sim Lam (X4)

Sol Sim
Ziggy played guitar, jamming good
Do Re
with Wierd and Gilly and the Spiders from Mars.
Sol Mim
He played it left hand, but made it too far
Lam Do
became the special man, and we were Ziggy's band.
Sol Sim
Ziggy really sang, with screwed up eyes and
Do Re
screwed down hairdo like some cat from Japan.
Sol Mim
He could lick 'em by smiling, he could leave 'em to hang.
Lam Do
He came on so loaded man, well hung and snow-white tan.
Lam Sol Fa Sol
But where were the spiders,
Lam Sol Fa Sol
while the fly tried to break our balls.
Lam Sol Fa
Just the beer light to guide us.
Re
And so we bitched about his fans
Mi
and should we crush his sweet hands.

Sol Re Resus4 Re Resus4 Re Do Sim Lam (X2)

Sol Sim
Ziggy played for time, jiving us that
Do Re
we were voodoo and the kids was just crass.
Sol Mi
He was the nazz with God-given ass.
Lam Do
He took it all too far but boy could he play guitar.
Lam Sol Fa Sol
Making love with his ego,
Lam Sol Fa Sol
Ziggy sucked up into his mind
Lam Sol Fa Sol
Like a leper messiah.
Re
When the kids had killed the man
Mi
I had to break up the band.
