

Give me one reason - Tracy Chapman

Fa#
Give me one reason to stay here
Si Do# Fa#
And I'll turn right back around
Si
Give me one reason to stay here
Do# Fa#
And I'll turn right back around
Do#
Because I don't wanna leave you lonely
Si Fa#
But you got to make me change my mind

Fa#
Baby, I got your number
Si Do# Fa#
And I know that you got mine
Si
But you know that I called you,
Do# Fa#
I called too many times
Do#
You can call me baby,
Si
you can call me anytime
Fa#
But you got to call me

Fa#
Give me one reason to stay here
Si Do# Fa#
And I'll turn right back around
Si
Give me one reason to stay here
Do# Fa#
And I'll turn right back around
Do#
Because I don't wanna leave you lonely
Si Fa#
But you got to make me change my mind

Fa#
I don't want no one to squeeze me
Si Do# Fa#
They might take away my life
Si
I don't want no one to squeeze me
Do# Fa#
They might take away my life
Do#
I just want someone to hold me
Si Fa#
And rock me through the night

Fa#
This youthful heart can love you
Si Do# Fa#
And give you what you need
Si
This youthful heart can love you
Do# Fa#
And give you what you need

Do#
But I'm too old to go chasing you around
Si Fa#
Wasting my precious energy

Fa#
Give me one reason to stay here
Si Do# Fa#
And I'll turn right back around
Si
Give me one reason to stay here
Do# Fa#
And I'll turn right back around
Do#
Because I don't wanna leave you lonely
Si Fa#
But you got to make me change my mind

Fa#
Baby, just give me just one reason
Si Do# Fa#
Give me just one reason why
Si
Baby just give me one reason
Do# Fa#
Give me just one reason why I should stay
Do#
Because I told you I loved you
Si Fa#
And there ain't no more to say
