

A head full of Dreams - Coldplay

Capotasto al secondo tasto

Mi4 La Sol Re

La

Ohhhh I think I'm landing

Re

In a world I hadn't seen

La

When I'm feeling ordinary

Re

When I don't know what I mean!

La

Oh I think I'm landing

Re

Where there are miracles at work

La

For the first and for the hunger

Re

Come the conference of birds

La

And say it's true

Re

It's not what it seems

La

Leave your broken windows open

Re

And in the light just streams

La

Re

And you get a head a head full of dreams

La

You can see the change you want to

Re

Be what you want to be

La

Re

And you get a head a head full of dreams

La

It's a laugh that's just been spoken
