

Every teardrop is a waterfall - Coldplay

Re
I turn the music up, I got my records on
La
I shut the world outside until the lights come on
Re
Maybe the streets alight, maybe the trees are gone
La
I feel my heart start beating to my favourite song

Re
And all the kids they dance, all the kids all night
La
Until Monday morning feels another life
Fa#m
I turn the music up I'm on a roll this time
Re
And heaven is in sight

Solo: La Re La Re La La Re
Re
I turn the music up, I got my records on
La
From underneath the rubble sing a rebel song
Re
Don't want to see another generation drop
La
I'd rather be a comma than a full stop
Re
Maybe I'm in the black, maybe I'm on my knees
La
Maybe I'm in the gap between the two trapezes
Fa#m
But my heart is beating and my pulses start
Re
Cathedrals in my heart
Re La Fa#m
And we saw oh this light I swear you, emerge blinking into
Re
To tell me it's alright
Re La Fa#m
As we soar walls, every siren is a symphony
Re
And every tear's a waterfall

La Re La Re
Is a waterfall Oh Is a waterfall Oh oh oh
La Mi Re
Is a is a waterfall So you can hurt, hurt me bad
Do#m7 Re La Re
But still I'll raise the flag Oh
Re La
It was a wa wa wa wa waterfall A wa wa wa wa waterfall

Re La
Every tear Every tear Every teardrop is a waterfall
Re La
Every tear Every tear Every teardrop is a waterfall
