

Fix you - Coldplay

Fa Do Rem Do (x2)

Fa Do Rem Do
When you try your best, but you don't succeed
Fa Do Rem Do
When you get what you want, but not what you need
Fa Do Rem Do
When you feel so tired, but you can't sleep
Fa Do Rem Do
Stuck in reverse.

Fa Do Rem Do
When the tears come streaming down your face
Fa Do Rem Do
When you lose something you can't replace
Fa Do Rem Do
When you love someone, but it goes to waste
Fa Do Rem Do
Could it be worse?

Sib Do
Lights will guide you home
Sib Do
And ignite your bones
Sib Do Fa
And I will try to fix you

Fa Do Rem Do (x2)

Fa Do Rem Do
And high up above or down below
Fa Do Rem Do
When you're too in love to let it go
Fa Do Rem Do
If you never try, then you'll never know
Fa Do Rem Do
Just what you're worth

Sib Do
Lights will guide you home
Sib Do
And ignite your bones
Sib Do Fa
And I will try to fix you

Fa Sib Fa Do Rem Sib Fa Do (x2)

Fa Sib
Tears stream, down your face
Fa Do
When you lose something you cannot replace
Rem Sib
Tears stream down your face
Fa Do
And I.....

Fa Sib
Tears stream, down your face
Fa Do
I promise you that I'll learn from my mistakes
Rem Sib
Tears stream down your face
Fa Do
And I.....

Sib Do
Lights will guide you home
Sib Do
And ignite your bones
Sib Do Fa
And I will try to fix you
