

Miracles - Coldplay

Capotasto al I tasto

Mi La Mi La Mi La Mi La

Mi
From up above I heard
La
The angels sing to me these words
Mi
And sometimes, in your eyes
La
I see the beauty in the world

La Mi Fa#m
Oh, now I'm floating so high I blossom and die
La Mi Fa#m
Send your storm and your lightning to strike right between the eyes

Mi La Mi La

Mi
Sometimes the stars decide
La
To reflect in petals in the dirt
Mi
When I look in your eyes
La
I forget all about what hurts

La Mi Fa#m
Oh, now I'm floating so high I blossom and die
La Mi Fa#m
Send your storm and your lightning to strike
La
right between the eyes and cry

La Mi Fa#m La Fa#m
Believe in miracles

Mi La
Oh hey, I'm floating up above the world now
Mi La
Oh hey, I'm floating up above the world now

La Mi Fa#m La Mi Fa#m

Mi La
Oh yea yea yeaaaaaaaaa uuuu uuu uu

Mi La Mi
Oh yea yea yeaaaaaaaaa Uuuu Uuu Uu
