

## Up & Up - Coldplay

Sol  
Fixing up a car to drive in it again  
Re  
Searching for the water, hoping for the rain  
Mim Do  
Up and up, Up and up  
Sol  
Down upon a canvas, working meal to meal  
Re  
Waiting for a chance to pick your orange field  
Mim Do  
Up and up, Up and up

Sol  
See a pearl form, a diamond in the rough  
Re  
See a bird soaring high above the flood  
Mim Do  
It's in your blood, it's in your blood

Sol  
Underneath the storm an umbrella is saying  
Re  
Sitting with the poison takes away the pain  
Mim Do  
Up and up, Up and up

Sol  
We're gonna get it, get it together  
Re  
Right now we're gonna get it, get it together  
Fa7+ Do  
Somehow, gonna get it, get it together and flow  
Sol  
We're gonna get it, get it together  
Re  
I know, we're gonna get it, get it together  
Fa7+ Do  
And flow, we're gonna get it, get it together and go  
Sol Re Mim Do  
Up, and up, and up

Sol  
Lying in the gutter, aiming for the moon  
Re  
Trying to empty out the ocean with a spoon  
Mim Do  
Up and up, Up and up  
Sol  
Trying to see the forest, there in every seed  
Re  
Angels in the marble waiting to be freed  
Mim Do  
Just need love, Just need love  
when the going is rough, saying  
Sol  
We're gonna get it, get it together  
Re  
Right now we're gonna get it, get it together  
Fa7+ Do  
Somehow, gonna get it, get it together and flow  
Sol  
We're gonna get it, get it together

Re  
I know, we're gonna get it, get it together  
Fa7+ Do  
And flow, we're gonna get it, get it together and go  
Sol Re  
Cause you can say what is, or fight for it  
Mim Do  
Close your mind and take a risk  
Sol Re  
You can say it's mine and clench your fist  
Mim Do  
Or see each sunrise as a gift
