

## Phil Collins - No way out

Re

Re Sol  
everywhere I turn, I hurt someone  
Re  
but there's nothing I can say to change  
Sol  
the things I've done  
Mim  
of all the thing I hid from you  
La Re  
I cannot hide the shame  
Mim  
and i pray someone, something will come  
La  
to take away the pain

Re La Mim La Re  
there's no way out of this dark place  
La Mim  
no hope, no future  
Re Sol La Re  
I know I can't be free  
Sol Mim  
but I can see another way  
Sol La  
I can't face another day

Re Sol  
tell me where, did I go wrong  
Re Sol  
everyone I loved, they're all gone  
Sol Mim  
I'd do everything so differently  
La Re  
but I can't turn back the time  
Sol La  
there's no shelter from the storm inside from me

Re La Mim La Re  
there's no way out of this dark place  
La Mim  
no hope, no future  
Re Sol La Re  
I know I can't be free  
Sol Mim  
but I can see another way  
Sol La  
I can't face another day

Fa Do  
I can't believe the words i hear  
Rem Lam  
it's like an answer to a prayer  
Fa Sib  
when I look around i see  
Fa Do Rem  
this place, this time, this friend of mine

Lab Re#  
I know it's hard but you found someone  
Fam  
to look into your heart and  
Sib  
to forgive me now  
Re# Lab  
you've given me the strength to see  
Sib Re#  
just where my journey ends  
Lab Sib  
you've given me the strength to carry on

Re# Sib Fam Sib Re#  
I see the path from this dark place  
Sib Fam  
I see my future  
Re# Fam Sib Re#  
your forgiveness has set me free  
Lab Fam  
oh and i can see another way  
Lab Fam  
I can face another day!

Re# Sib Fam Sib Re#  
I see the path, i can see the path  
Sib Fam  
Re# Sib Fam Sib Re#  
I see the path from this dark place  
Sib Fam  
I see my future  
Re# Sib Fam Sib Re#  
I see the path, i can see the path  
Sib Fam  
I see the future
