

One More Night - Phil Collins

La Re La Re La Re La Re
One more night one more night

Sol Re Mim Re
I've been trying ooh so long to let you know
Sol Re Mim
Let you know how I feel
Sol Re Mim Re
And if I stumble if I fall, just help me back
Sol Re Mim
So I can make you see

La Re
Please give me one more night
La Re
give me one more night
La Re Mim La
One more night cos I can't wait forever
La Re La Re
give me one more night one more night
La Re
oh one more night
La Re Mim La
One more night cos I can't wait forever

Sol Re Mim
I've been sitting here so long
Re Sol Re Mim
Wasting time, just staring at the phone
Sol Re Mim
And I was wondering should I call you
Re Sol Re Mim
Then I thought maybe you're not alone

La Re
Please give me one more night
La Re
give me one more night
La Re Mim La
One more night cos I can't wait forever
La Re La Re
give me one more night one more night
La Re
oh one more night
La Re Mim La
One more night cos I can't wait forever

La Re La Re
give me one more night one more night
La Re
oh one more night
La Re Mim La
One more night cos I can't wait forever
Sim7 Do
Like a river to the sea
Sim7 Do
I will always be with you
Sim7 Do
And if you sail away
Sim7 Re
I will follow you

La Re La Re
Give me one more night one more night
La Re Mim La
oh one more night cos I can't wait forever

Sol Re Mim
I know there'll never be a time

Re
you'll ever feel the same

Sol Re Mim
And I know it's only words

Sol Re
But if you change your mind

Mim Re
you know that I'll be here

Sol Re Mim
And maybe we both can learn

La Re
Please give just me one more night

La Re
give me just one more night

La Re Mim La
One more night cos I can't wait forever

La Re
give me just one more night

La Re
give me just one more night

La Re Mim La
give me just one more night cos I can't wait forever

La Re La Re Mim La ripete a sfumare
