

Cramberries - Linger

Sol Re (X5)
Re Do Sol

Re
If you, if you could return
La
don't let it burn, don't let it fade
Do
I'm sure I'm happier, but it's just your attitude
Sol
it's tearing me apart, it's ruining everyday
Re La
I swore, I swore I would be true, but honey so did you
Do
so why were you holding her hand, is that the way we stand
Sol
were you lying all the time, was it just a game to you

Re
But I miss you
La
you know I'm such a fool for you
Do
you got me wrapped around your finger
Sol
do you have to let it linger
do you have to, do you have to
Re
do you have to let it linger

La
Oh, I thought I loved you
Do
I thought that nothing could go wrong
So
but I was wrong, I was wrong

Re La
If you, if you could get by, trying not to lie
Do
things wouldn't be so confused, and I wouldn't feel so used
Sol
but you always ruin you, I just wanna be with you

Re
But I miss you
La
you know I'm such a fool for you
Do
you got me wrapped around your finger
Sol
do you have to let it linger
do you have to, do you have to
Re
do you have to let it linger
