

The Cure - In between days

La Re La Re
Yesterday I got so old I felt like I could die
La Re La Re
Yesterday I got so old it made me wanna cry

La Re
Go on go on just walk away
La Re
Go on go on you're choice is made
La Re
Go on go on and disappear
La Re
Go on go on away from here

Sim9 Mi
And I know I was wrong when I said it was true
Sim Mi La
That it could've been me and with her in between without you

La Re (X4)

La Re La Re
Yesterday I got so scared I shivered like a child
La Re La Re
Yesterday away from you it froze me deep inside

La Re
Come back come back don't walk away
La Re
come back come back come back today
La Re
come back come back why can't you see
La Re
come back come back come back to me

Sim9 Mi
And I know I was wrong when I said it was true
Sim Mi La
That it could've been me and with her in between without you

La Re
Without you
La Re
Without you
