

## *The Cure - Just like Heaven*

La Mi Sim9 Re (X2)

La Mi  
"Show me how you do that trick  
Sim9 Re  
The one that makes me scream" she said  
La Mi  
"The one that makes me laugh" she said  
Sim9 Re  
And threw her arms around my neck  
La Mi  
"Show me how you do it  
Sim9 Re  
And I promise you I promise that  
La Mi  
I'll run away with you  
Sim9 Re  
I'll run away with you"

La Mi Sim9 Re (X2)

La Mi  
Spinning on that dizzy edge  
Sim9 Re  
I kissed her face and kissed her head  
La Mi Sim9  
And dreamed of all the different ways I had  
Re  
To make her glow  
La Mi Sim9  
"Why are you so far away?" she said  
Re La Mi  
"Why won't you ever know that I'm in love with you  
Sim9 Re  
That I'm in love with you"

Fa#m  
You  
Sol  
Soft and only  
Fa#m  
You  
Sol  
Lost and lonely  
Fa#m  
You  
Sol  
Strange as angels  
Re  
Dancing in the deepest oceans  
Mi  
Twisting in the water  
You're just like a dream

La Mi Sim9 Re (X2)

La Mi  
Daylight licked me into shape  
Sim9 Re  
I must have been asleep for days  
La Mi  
And moving lips to breathe her name  
Sim9 Re  
I opened up my eyes  
La Mi  
And found myself alone alone  
Sim9 Re  
Alone above a raging sea  
La Mi  
That stole the only girl I loved  
Sim9 Re  
And drowned her deep inside of me

Fa#m  
You  
Sol  
Soft and only  
Fa#m  
You  
Sol  
Lost and lonely  
Fa#m  
You  
Sol Re  
Just like heaven
