Capotasto al Terzo Tasto

Sim Re  
We clawed, we chained our hearts in vain  
La Mim  
We jumped, never asking why  
Sim Re  
We kissed, I fell under your spell  
La Mim  
A love no one could deny

Sol Sim  
Don't you ever say I just walked away  
Re Sol  
I will always want you  
Sol Sim  
I can't live a lie, running for my life  
Re Sol  
I will always want you

Re La  
I came in like a wrecking ball  
Sim Sol  
I never hit so hard in love  
Re La  
All I wanted was to break your walls  
Sim Sol Sim Sol  
All you ever did was wreck me Yeah, you wreck me

Sim Re  
I put you high up in the sky  
La Mim  
And now, you're not coming down  
Sim Re  
It slowly turned, you let me burn  
La Mim  
And now, we're ashes on the ground

Sol Sim Re Sol
