

Rocky mountain high - John Denver

Capotasto al secondo tasto

Re Mim Sol 2v La7

Re
He was born in the summer
Mim La
of his twenty seventh year
Re Mim Sol
Coming home to a place he'd never been before
Re
He left yesterday behind him,
Mim Do La
you might say he was born again
Re Mim Sol
You might say he found a key for every door

Re
When he first came to the mountains
Mim La
his life was far away;
Re Mim Sol
On the road and hanging by a song
Re
But the string's already broken,
Mim La
and he doesn't really care;
Re
It keeps changing fast
Mim Sol La
and it don't last for long

Sol La Re
But the Colorado Rocky Mountain high
Sol La Re
I've seen it raining fire in the sky

Sol La
The shadow from the starlight
Re Sol La Sol
is softer than a lul la by
La Re Mim Sol

Re
He climbed cathedral mountains,
Mim La
he saw silver clouds below;
Re Mim Sol
he saw everything as far as you can see
Re
And they say that he got crazy once,
Mim Do La
and he tried to touch the sun;
Re Mim Do Sol
And he lost a friend but kept the memory

Re
Now he walks in quiet solitude
Mim La
the forests and the streams;

Re Mim Sol
seeking grace in every step he takes
Re
His sight has turned inside himself
Mim La
to try and understand;
Re Mim Do Sol
the serenity of a clear blue mountain lake

Sol La Re
And the Colorado Rocky Mountain high
Sol La Re
I've seen it raining fire in the sky
Sol La Re Sol La Sol
talk to God and listen to the casual re ply

Re
Now his life is full of wonder,
Mim La
but his heart still knows some fear;
Re Mim Do Sol
of a simple thing he cannot comprehend
Re
Why they try to tear the mountains down,
Mim Do La
To bring in a couple more;
Re Mim Do Sol
more people, more scars upon the land

Sol La Re
And the Colorado Rocky Mountain high
Sol La Re
I've seen it raining fire in the sky

Sol La
I know he'd be a poorer man
Re Sol La Sol
if he never saw an eag le fly
La Re
Rocky Mountain high

Sol La Re

I've seen it raining fire in the sky
