

Enjoy the silence - Depeche Mode

Mim Sol Sim La (X2)

Sim Re (X4)

Sim
Words like violence
Rem
Break the silence
Sol
Come crashing in - Into my little world
Sim
Painful to me
Rem
Pierce right through me
Sol
Can't you understand - Oh my little girl

Mim
All I ever wanted
Sol
All I ever needed
Sim La
Is here in my arms
Mim Sol
Words are very unnecessary
Sim Lab
They can only do harm

Sim Re (X4)

Sim
Vows are spoken
Rem
To be broken
Sol
Feelings are intense - Words are trivial
Sim
Pleasures remain
Rem
So does the pain
Sol
Words are meaningless - And forgettable

Mim
All I ever wanted
Sol
All I ever needed
Sim La
Is here in my arms
Mim Sol
Words are very unnecessary
Sim Lab
They can only do harm
