

Strange days - The doors

Mim

Mim Lam Mim Lam
Strange Days have found us
Mim Lam Mim Fa#
Strange Days have tracked us down
Solm Dom Solm Dom
They're going to destroy
Solm Dom Solm
Our Casual joys

Sol Si Sib Fa Mim
We shall go on playing or find a new town.

Sol Si Sib Fa (x3)
Mim

Mim Lam Mim Lam
Strange eyes fill strange rooms
Mim Lam Mim Fa#
Voices will signal their tired end
Solm Dom Solm Dom
The hostess is grinning
Solm Dom Solm
Her guests sleep from sinning

Sol Si
Hear me talk of sin
Sib Fa Mim
And you know this is it

Sol Si Sib Fa (x3)
Mim

Mim Lam Mim Lam
Strange days have found us
Mim Lam Mim Fa#
And with their strange hours we linger alone
Solm Dom Solm Dom Solm Dom Solm
Bodies confused Memories misused

Sol Si Sib
As we run from the day to a strange
Fa Mim
night of stone.
