End of an era – Dua Lipa

```
Fa7+  Mim7 Fa7+  Mim7 Fa7+  Mim7 Fa7+  Mim7 Sol7+

...One, two, three, ay

Fa7+
 What's it about a kiss
                          Sol7+
that makes me feel like this?
                Mim7/9       Fa7+
Makes me an optimist, I guess

I always jump too quick,
                        Sol7+
hopin' this one might stick
               Mim7/9
Hopelessy romantic
                Fa7+
Then you said, "Hey"
             Sol7+
And I said, "Hey
            Fa7+
What's your name?"
          Sol7+
Come with me
       Mim7/9          Lam     Sim7
'Cause when I see your face (ah...)

             Fa7+
The sweetest pleasure
                               Sol7+
I feel like we're gonna be together
                              Fa7+
This could be the end of an era
                                      Sol7+  Mim7
Who knows, baby? This could be forever,  forever

Fa7+
 No more "you're not my type",
                     Sol
no more "at least I tried"
                                     Fa7+
Done with the lonely nights, I guess

One chapter might be done,
                      Sol7+
God knows I had some fun
                    Mim7/9
New one has just begun
           Fa7+
You said, "Hey"
             Sol7+
And I said, "Hey
            Fa7+
What's your name?"
          Sol7+
Come with me
       Mim7/9          Lam     Sim
'Cause when I see your face (ah...)

             Fa7+
The sweetest pleasure
                               Sol7+
I feel like we're gonna be together
                              Fa7+
This could be the end of an era

In the clouds, there she goes,
Mim7  Fa7+  Mim7     Fa7+
butterflies let them flow

Another girl falls in love,

another girl leaves the club
       Fa7+ Mim7     Fa7+ Mim7   Fa7+   Mim7   Fa7+
Send a big  kiss goodbye  to all of the pretty eyes

Sib7+              Do7+
  I've lost all my senses
                              Sib7+
La-la-la-la, la-la-la-la-la
                 Do7+
Is this my happy ending?

La-la-la-la, la-la-la-la-la
Rem                  Mim
 (Here she goes again)

             Fa7+
The sweetest pleasure
                               Sol7+
I feel like we're gonna be together
