

## *The Chauffeur - Duran Duran*

Mim Re Sol Si7 (x4)

Mim Re Sol Si7  
Out on the tar plains, the glides are moving,  
Mim Re Sol Si7  
all looking for the new place to drive  
Mim Re Sol Si7  
You sit beside me, so newly charming,  
Mim Re Sol Si7  
sweatening dew drops glisten, freshening your side

Sol Si7  
And the sun slips down bedding heavy behind,  
Mim Si  
the front of your dress all shadowy lined  
Sol Si7  
And the droning engine throbs in time  
Mim Si Sol Si7  
with your beating heart

Mim Si7 Sol Si7 Mim Si

Mim Re  
Way down the lane away,  
Sol Si7  
living for another day,  
Mim Re Sol Si7  
the aphids swarm up in the drifting haze  
Mim Re  
Swim seagull in the sky  
Sol Si7  
towards that hollow western isle,  
Mim Re Sol Si7  
my envied lady holds you fast in her gaze

Sol Si7  
And the sun slips down bedding heavy behind,  
Mim Si  
the front of your dress all shadowy lined  
Sol Si7  
And the droning engine throbs in time  
Mim Si  
with your beating heart

Sol Si7  
And the sun slips down bedding heavy behind,  
Mim Si  
the front of your dress all shadowy lined  
Sol Si7  
And the droning engine throbs in time  
Mim Si  
with your beating heart

Do La6 Si  
Sing blue silver

Mim Re Sol Si7 (x2)

Mim                    Re  
And watching lovers part,  
Sol                    Si7  
I feel you smiling,  
Mim                    Re                    Sol                    Si7  
what glass splinters lie so deep your mind?

Mim                    Re  
To tear out from your eyes  
                         Sol                    Si7  
with a word to stiffen brooding lies  
Mim                    Re                    Sol                    Si7  
But I'll only watch you leave me further behind

                         Sol                    Si7  
And the sun slips down bedding heavy behind,  
Mim                    Si  
the front of your dress all shadowy lined  
                         Sol                    Si7

And the droning engine throbs in time  
Mim                    Si  
with your beating heart

                         Sol                    Si7  
And the sun slips down bedding heavy behind,  
Mim                    Si  
the front of your dress all shadowy lined  
                         Sol                    Si7

And the droning engine throbs in time  
Mim                    Si  
with your beating heart

Do                    La6                    Si  
Sing                    blue silver  
Do                    La6                    Si  
Sing sing blue silver

Mim Re Sol Si7 (repeat)
