Mim Sim
The Wild Boys are calling on their way back from the fire
Mim Sim
In August moon's surrender to a dust cloud on the rise
Do La
Wild Boys fallen far from glory
Mim Sim
Reckless and so hungered on the razor's edge you trail
Mim Sim
Because there's murder (murder) by the roadside in a sore, afraid new world
Do Re Do La
They tried to break us, looks like they'll try again

Mim Sim
Wild Boys never lose it

Wild Boys never chose this way

Wild Boys al - ways shine!

Mim Sim
You got sirens for a welcome, there's blood stains for your pain
Mim Sim
And your telephone been ringing while you're dancing in the rain
Do La
Wild Boys wonder where is glory
Mim Sim
Where is all you angels now the figureheads have fell
Mim Sim
And lovers war with arrows over secrets they could tell
Do Re Do La
They tried to tame you, looks like they'll try again
