

Blowin' in the wind - Bob Dylan

Mi La Mi
How many roads must a man walk down
Mi La Mi
Before you can call him a man?
Mi La Mi
How many seas must a white dove sail
Mi La Si7
Before she sleeps in the sand?
Mi La Mi
And how many times must the cannonballs fly
Mi La Si7
Before they've forever banned?
La Si7 Mi Do#m
The answer my friend is blowing in the wind
La Si7 Mi
The answer is blowing in the wind.

Mi La Mi
How many years can a mountain exist
Mi La Mi
Before it is washed to the sea?
Mi La Mi
How many years can some people exist
Mi La Si7
Before they're allowed to be free?
Mi La Mi
And how many times can a man turn his head
Mi La Si7
Pretending he just doesn't see?
La Si7 Mi Do#m
The answer my friend is blowing in the wind
La Si7 Mi
The answer is blowing in the wind.

Mi La Mi
How many times must a man look up
Mi La Mi
Before he can really see the sky?
Mi La Mi
Yes, how many ears must one man have
Mi La Si7
Before he can hear people cry?
Mi La Mi
Yes, how many deaths will it take till he knows
Mi La Si7
That too many people have died?

La Si7 Mi Do#m
The answer my friend is blowing in the wind
La Si7 Mi
The answer is blowing in the wind.
La Si7 Mi Do#m
The answer my friend is blowing in the wind
La Si7 Mi
The answer is blowing in the wind.
