Pictures on the wall that tell me who we were
Do

The cracks and the scars
Sol

was hurt we had to learn
 Re Lam
 And now we're fading, changing from myself

Sinking, bleeding, crying out for help
Re Lam

I'm scattered, so tattered
Do Sol
There's no one else in this life for me

Re Lam
I'm battled, so shattered
Do

To__gether never felt so lonely
Sol Re
So open up the doors

The shape of our heart's the same
Lam
Do

Let's find a way back to us somehow some way
Re
We've built something beautiful

Lam
we can't replace
Do

By chasing every breaking wave
Sol

'Cause I love to love, to love you, yeah
Re
so don't let go

Lam Do
Enough, enough, enough, I need you close
Sol Re

I need some soul Oh oh

All the reasons we seem to defend
Do

They mean nothing

if I'll lose you in the end
