

I Found You - Enrica Tara

Sol Sim7 Do9
In another time in another state we'd fall from grace
Mim Sol Lam Do9
but I'm here with you with our solid roots we've found solace
Sol Sim7 Do9
On another day in another place we'd hide our face
Mim Sol Lam Do9
But I'm here with you like the morning truth we come to life
Do9 Sol Do9 Mim Re
I feel it I found it I feel it now

Sol Do Mim Sol Re
I found lo____ve I found lo____ve
Lam Do Mim Sol Re

Sol Sim7 Do9
In these hazy days with our crazy ways we turned the tide
Mim Sol Lam Do9
Now we're here to stay like the summer rain we bring new life

Sol Sim7 Do9
If i close my eyes I can see the signs calling me on
Mim Sol Lam Do9
Then you hold me dear with your winter tears I'm never alone
