

## Next year - Foo Fighters

Sol Re Do (x2)

Sol Re Do  
I'm in the sky tonight,  
Sol Re Do  
there I can keep by your side  
Sol Re Do La  
Watching the wide world riot and hiding out  
Do Re Sol  
I'll be coming home next year

Sol Re Do (x2)

Sol Re Do  
into the sun we climb  
Sol Re Do  
climbing our wings will burn white  
Sol Re Do  
everyone strapped in tight  
La  
we'll ride it out  
Do Re Sol  
I'll be coming home next year

Do Sol  
come on get on get on  
Do Sol  
take it till the life runs out  
Do  
No one can find us now,  
La Re  
living without heads underground

Sol Re Do  
into the night we shine  
Sol Re Do  
lighting the way we glide by  
Sol Re Do La  
watching the whole world wind around and round  
Do Re Sol  
I'll be coming home next year

Do Sol  
come on get on get on  
Do Sol  
take it till the life runs out

living without heads underground
