

The reason why - Lorenzo Fragola

Fa#m Re La

Fa#m Re La
You say you say that all is going great

Fa#m Re La
but I just can't get away

Fa#m Re La
and i know, I know it's not enough

Fa#m Re La
cause I've been falling in love

Sim Fa#m
And you say your love is far away

La
do you think of him everyday

Mi
or you worried you'll forget his name

Sim Fa#m
And I don't care you see me as a friend

La Mi
but please just keep on dance forever always ends you know

Sim7 Fa#m Mi
Fall in love you and I

Sim7 Fa#m Mi
Can't afford to waste our time

Sim7 Fa#m Mi Sim7 Fa#m Mi
sun is up in the sky and we don't even know the reason why.

Fa#m Re La
so high, so high we were so blind

Fa#m Re La
because we got high one night

Fa#m Re La
And I know I'm wrong that I just don't care at all

Fa#m Re La
I'll catch you when you fall

Sim Fa#m
And I don't care you see me as a friend

La Mi
but please just keep on dancing forever always ends you know

Sim7 Fa#m Mi
Fall in love you and I

Sim7 Fa#m Mi
Can't afford to waste our time

Sim7 Fa#m Mi Sim7 Fa#m Mi
sun is up in the sky and we don't even know the reason why.

Sim Fa#m
And I don't know what makes me fell so high

Mi
maybe he's got game and you're hypnotized

Sim Fa#m
but I can be a slave in heaven or a king in hell

Mi
but I prefer the flames cuz red I rock well.

Sim7
One day you'll be mine!

Sim7 Fa#m Mi
Fall in love you and I

Sim7 Fa#m Mi
Can't afford to waste our time
