

## The rest - Lorenzo Fragola

Capotasto al II tasto

Do#m Re Do#m Sim  
I try to understand, these things that I don't  
Sim La Mi  
You try me stand on my own  
Do#m Re  
But hands were build for hands  
Do#m Sim Mi  
if there's one thing I know ohh

La Sim La Sim  
Well if time can heal, my hands bring feel  
Re  
she brings the rest  
La Sim Do#m Labm  
And if eyes bring sight and my god brought life  
Re  
she brought the rest  
Sim La Mi  
Tell me how you get through these nights  
Do#m Re Do#m Sim  
without the promise of her love keeping you blind  
Sim La Mi  
Tell me how you know that you're right  
Do#m Re Do#m Sim Mi  
and pictures are enough to keep fooling your eyes

La Sim La Sim  
Well if time can heal, my hands bring feel  
Re  
she brings the rest  
La Sim Do#m Labm  
And if eyes bring sight and my god brought life  
Re  
she brought the rest

Sim La Mi Do#m Re Do#m Sim Mi

La Sim La Sim  
Well if time can heal and hands bring feel,  
Re  
she brings the rest  
La Sim Do#m Fa#m  
And if eyes bring sight and my god brought life,  
Re  
she brought the rest

La Sim Do#m Fa#m  
Well if time can heal, my hands bring feel,  
Re  
she brings the rest  
La Sim Do#m Fa#m  
And if eyes bring sight and your god brought life  
Re  
she brought the rest  
Sim La Mi  
Tell me how you feel that you Know
