

## ***New Dawns - Gaia (X Factor)***

Lam Do

Lam Do  
September closes summer's door  
Lam Do  
It's cold, late night, me on the floor  
Lam Do  
When does it start to all makes sense?  
Lam Do  
All of these scars on maps to explain  
Lam Fa Do Sol  
I will know when it's time to soar  
Lam Fa Do Sol  
And I will stand after every fall  
Lam Fa  
So let me be wrong, let me be strong  
Do Mim  
Let me be everything even alone  
Lam Fa Do  
I will go after brand new dawns  
Lam Do  
My glass, a toast to the unknown  
Lam Do  
A record tries to sooth my soul  
Lam Do  
When do my walls come crumbling down?  
Lam Do  
Let all the monsters rush right out  
Lam Fa Do Sol  
I will know when it's time to soar  
Lam Fa Do Sol  
And I will stand after every fall  
Lam Fa  
So let me be wrong, let me be strong  
Do Sol  
Let me be everything even alone  
Lam Fa Do Sol  
I will go after brand new dawns  
Rem Lam Do Mim  
Probably I'm broken and a little lonely today  
Rem Lam Do Mim  
But my eyes are skies and tonight I decided to rain  
Fa Do Sol  
All of our thunders will be gone  
Fa Do Sol  
As long as I'm chasing brand new dawns

Lam Fa Do Sol 2v  
Lam Fa Do Sol  
I will know when it's time to soar  
Lam Fa Do Sol  
And I will stand after every fall  
Lam Fa  
So let me be wrong, let me be strong  
Do Mim  
Let me be everything even alone  
Lam Fa Do Mim  
I will go after brand new dawns  
Lam Do  
I will go after brand new dawns
