

## *In the heat of the moment - Noel Gallagher*

Do# Si Mib Labm  
na na na na na na

Labm Si Fa# Labm  
They tell me you've touched the face of God  
Like the sound of the rope cracking on your neck  
They tell me you'd never give it up  
Like the song that was soul singing in your head  
So honey please don't let go  
or you'll fall into the dead of night  
So honey please don't let go  
You better learn to fly,  
cos they're gonna point you up at the sky

Labm Si  
The more that you want it,  
the more that you need it  
I know that you'll be by my side in the  
Heat of the moment when the thunder and lightning come down  
I know that you'll be by my side

Do# Si Mib Labm Do# Si Mib Labm  
na na na na na na na na

That loving man ain't no rolling stone  
With the sound of the drums, I'm gonna set you free  
I talked to him on the telephone  
These are the words that he gave to me  
So honey please don't let go  
or you'll fall into the dead of night  
So honey please don't let go  
You better learn to fly,  
cos they gone and point you up at the sky  
The more that you want it, the more that you need it  
I know that you'll be by my side in the  
Heat of the moment when the thunder and lightning come down  
I know that you'll be by my side

Do# Si Labm Do# Si Labm
