

Stay alive - José Gonzalez

Tonalità originale - Fa# Reb Mibm Reb Si - Da suonare capotasto al primo tasto

Fa Do Rem Rem Do Sib

Fa Do Rem
There's a rhythm in rush these days
Rem Do Sib
Where the lights don't move and the colors don't fade
Fa Do Rem
Leaves you empty with nothing but dreams
Rem Do Sib
In a world gone shallow in a world gone lean

Fa Do Rem
Sometimes there's things a man cannot know
Rem Do Sib
Gears won't turn and the leaves won't grow
Fa Do Rem
There's no place to run and no gasoline
Rem Do Sib
Engine won't turn and the train won't leave

Fa Solm Lam Sib
I will stay with you tonight
Do Rem Sib
Hold you close 'til the morning light
Fa Do Rem Sib
In the morning watch a new day rise
Do Fa Sib
We'll do whatever just to stay alive
Do Fa Sib
We'll do whatever just to stay alive

Fa Do Rem
Well the way I feel is the way I write
Rem Do Sib
It isn't like the thoughts of the man who lies
Fa Do Rem
There is a truth and it's on our side
Rem Do Sib
Dawn is coming open your eyes
Fa Do Sib
Look into the sun as the new days rise

Fa Solm Lam Sib
And I will wait for you tonight
Do Rem Sib
You're here forever and you're by my side
Fa Do Rem Sib
I've been waiting all my life
Do Rem Sib
To feel your heart as it's keeping time
Do Rem Sib Fa Do Rem Sib
We'll do whatever just to stay alive

Fa Do Sib
Dawn is coming open your eyes
Fa Do Sib
Dawn is coming open your eyes
Fa Do Sib
Dawn is coming open your eyes
Fa Sib
Look into the sun as the new days rise
Rem Do Fa
There's a rhythm in rush these days
Rem Do Fa Sib
Where the lights don't move and the colors don't fade
