

Basket case - Green day

Mi Si
Do you have the time
Do#m Sol#m
to listen to me whine
La Mi
about nothing and everything
Si
all at once?

Mi Si
I am one of those
Do#m Sol#m
melodramatic fools
La Mi
neurotic to the bone
Si
no doubt about it

La Si Mi
sometimes I give myself the creeps
La Si Mi
sometimes my mind plays tricks on me
La Si
it all keeps adding up
Mi Si Do#m
I think I'm cracking up
La Si Mi
am I just paranoid, or am I just stoned?

Mi Si Do#m Si (x2)

Mi Si
I went to a shrink
Do#m Sol#m
To analyze my dreams
La Mi
She says it's lack of sex
Si
That's bringing me down

Mi Si
I went to a whore
Do#m Sol#m
She said my life's a bore
La Mi
So quit my whining cause
Si
It's bringing her down

La Si Mi
sometimes I give myself the creeps
La Si Mi
sometimes my mind plays tricks on me
La Si
it all keeps adding up

Mi Si Do#m

I think I'm cracking up

La Si
am I just paranoid?

Mi
Uh, yuh, yuh, ya

Mi Si Do#m Si (x4)

La Si
Grasping to control

Mi
So I better hold on

Mi Si Do#m Sol#m La Mi Si (x2)

La Si Mi
sometimes I give myself the creeps

La Si Mi
sometimes my mind plays tricks on me

La Si
it all keeps adding up

Mi Si Do#m
I think I'm cracking up

La Si Mi
am I just paranoid, or am I just stoned?

Mi Do#m La Mi Si (x4)
