

Wake me up when september ends - Green day

Sol Sim
Summer has come and passed
Mim Sol
The innocent can never last
Do Dom Sol
wake me up when september ends

Sol Sim
like my father's come to pass
Mim Sol
seven years has gone so fast
Do Dom Sol
wake me up when september ends

Mim Sim
here comes the rain again
Do Sol
falling from the stars
Mim Sim
drenched in my pain again
Do Re
becoming who we are

Sol Sim
as my memory rests
Mim Sol
but never forgets what I lost
Do Dom Sol
wake me up when september ends

Sol Sim
Summer has come and passed
Mim Sol
The innocent can never last
Do Dom Sol
wake me up when september ends

Sol Sim
ring out the bells again
Mim Sol
like we did when spring began
Do Dom Sol
wake me up when september ends

Mim Sim
here comes the rain again
Do Sol
falling from the stars
Mim Sim
drenched in my pain again
Do Re
becoming who we are

Sol Sim
as my memory rests

Mim Sol
but never forgets what I lost
Do Dom Sol
wake me up when september ends

Mim Sim Do Sol
Mim Sim Do Re
Do Re

Sol Sim
Summer has come and passed
Mim Sol
The innocent can never last
Do Dom Sol
wake me up when september ends

Sol Sim
like my father's come to pass
Do Sol
twenty years has gone so fast
Do Dom Sol
wake me up when september ends
Do Dom Sol
wake me up when september ends
Do Dom Sol
wake me up when september ends
