

Little wing - Jimi Hendrix

Mim Sol
Now she's walking thru the clouds
Lam7 Mim
With a circus mind that's running wild
Sim7 (Sibm7) Lam7 Do
Butterflies and zebras and moonbeams, and fairytales
Sol Fa Do Re
All she ever thinks about is riding with the wind

Mim Sol
When I'm sad she comes to me
Lam7 Mim
With a thousand smiles she gives to me free
Sim7 (Sibm7) Lam7
It's alright it's alright she says
Do Sol Fa
Take anything you want from me
Do Re
Anything

Mim Sol Lam7 Mim Sim7 (Sibm7) Lam7 Do
