

Work song - Hozier

Si Do#m 6v

Si Do#m
Boys workin on empty
Si Do#m
Is that the kinda way to face the burning heat?
Si Do#m
I just think about my baby
Si
I'm so full of love I could barely eat
Si Do#m
There's nothing sweeter than my baby
Si Do#m
I never want once from the cherry tree
Si Do#m
Cause my baby's sweet as can be
Si
She give me toothaches just from kissin me

Labm Fa# Si Do#m
When, my, time comes around lay me gently in the cold dark earth
Labm Fa# Si
No grave can hold my body down I'll crawl home to her

Si Do#m
That's when my baby found me
Si Do#m
I was three days on a drunken sin
Si Do#m
I woke with her walls around me
SI Do#m
Nothin in her room but an empty crib
Si Do#m Si Do#m
And I was burnin up a fever I didn't care much how long I lived
Si Do#m
But I swear I thought I dreamed her
Si
She never asked me once about the wrong I did

Labm Fa# Si Do#m
When, my, time comes around lay me gently in the cold dark earth
Labm Fa# Si
No grave can hold my body down I'll crawl home to her
Labm Fa# Si Do#m
When, my, time comes around lay me gently in the cold dark earth
Labm Fa# Si
No grave can hold my body down I'll crawl home to her

Si Do#m
My baby never fret none
Si Do#m
About what my hands and my body done
Si Do#m
If the Lord don't forgive me
Si
I'd still have my baby and my babe would have me
Si Do#m
When I was kissing on my baby
Si Do#m
And she put her love down soft and sweet
Si Do#m Si
In the lowland plot I was free Heaven and hell were words to me

Labm Fa# Si Do#m
When, my, time comes around lay me gently in the cold dark earth
Labm Fa# Si
No grave can hold my body down I'll crawl home to her
Labm Fa# Si Do#m
When, my, time comes around lay me gently in the cold dark earth
Labm Fa# Si
No grave can hold my body down I'll crawl home to her

Labm Si Do#m Si
