Sol Mim Sim Re

Sol Mim

I'm all out of hope

Sim

Re

One more bad dream could bring a fall

Sol Mim

When I'm far from home

Sim

Don't call me on the phone

Re

To tell me you're alone

Sol

Mim

It's easy to deceive

Sim

It's easy to tease

Re

But hard to get release

Do Re

Les yeux sans visage

eyes without a face

Do Re

Les yeux sans visage

eyes without a face

Do Re

Les yeux sans visage

Lam

eyes without a face

Sim7

Got no human grace

Sol

your eyes without a face.

Sol Mim

I spend so much time

Sim

Believing all the lies

Re

To keep the dream alive

Sol Mim

Now it makes me sad

Sim

It makes me mad at truth

Re

For loving what was you

Do Re

Les yeux sans visage

eyes without a face

Do Re

Les yeux sans visage

eyes without a face

Do Re

Les yeux sans visage

Sol Mim
Now I close my eyes
 Sim

And I wonder why
 Re

I don't despise
Sol Mim
Now all I can do

 Sim
Is love what was once
 Re
So alive and new

 Lam
But it's gone from your eyes

 Re
I'd better realise

Do Re
Les yeux sans visage
eyes without a face

Do Re
Les yeux sans visage
eyes without a face

Do Re
Les yeux sans visage
 Lam

eyes without a face
 Sim7

Got no human grace
 Lam
your eyes without a face.

 Sim7
Such a human waste

 Sol
your eyes without a face
