

## Corner of the Earth - Jamiroquai

Re

Rem Mib  
Little darlin' don't you see the sun is shining

Sib La7  
Just for you, only today

Rem Mib  
If you hurry you can get a ray on you

Sib La7  
Come with me, just to play

Rem Mib  
Like every humming bird and bumblebee,

Sib  
every sunflower, cloud and every tree

La7  
I feel so much a part of this

Rem Mib  
Nature's got me high and it's beautiful

Sib La7  
I'm with this deep eternal universe from death until rebirth

Sib Solm Fa La  
This corner of the earth is like me in many ways

Sib Solm Fa La  
I can sit for hours here and watch the emerald feathers play

Sib Solm Fa La  
On the face of this I'm blessed when the sunlight comes for free

Sib Solm Fa La7  
I know this corner of the earth it smiles at me

Rem Mib  
So inspired that there's nothing left to do or say

Sib La7  
Think I'll dream till the stars shine

Rem Mib  
The wind it whispers and the clouds don't seem to care

Sib La7  
And I know inside that it's all mine

Rem Mib  
It's the chorus of the breakin' dawn,

Sib  
the mist that comes before the sun is born

La7  
To a hazy afternoon in May

Rem Mib  
Nature's got me high and it's so beautiful

Sib La7  
I'm with this deep eternal universe from death until rebirth
