

Rocket man - Elton John

Lam Re7
She packed my bags last night pre-flight
Lam Re7
Zero hour, nine a.m.
Fa Do Rem Sol
And I'm gonna be high as a kite by then
Lam Re7
I miss the earth so much, I miss my wife
Lam Re7
It's so lonely out in space
Fa Do Rem Sol
On such a timeless flight

Do Fa
And I think it's gonna be a long, long time
Do
'Till touch down brings me round again to find
Fa
I'm not the man they think I am at home
Do Re
Oh no, no, no, I'm a rocket man
Fa Do Fa
Rocket man, burning out his fuse up here alone
Do Fa
And I think it's gonna be a long, long time
Do
'Till touch down brings me round again to find
Fa
I'm not the man they think I am at home
Do Re
Oh no, no, no, I'm a rocket man
Fa Do Fa
Rocket man, burning out his fuse up here alone

Lam Re7
Mars ain't the kind of place to raise your kids
Lam Re7
In fact it's cold as hell
Fa Do Rem Sol
And there's no one there to raise them, if you did
Lam Re7
And all this science I don't understand
Lam Re7
It's just my job, five days a week
Fa Do Rem Sol
A rocket man, a rocket man

Do Fa
And I think it's gonna be a long, long time
Do
'Till touch down brings me round again to find
Fa
I'm not the man they think I am at home
Do Re
Oh no, no, no, I'm a rocket man

Fa Do Fa
Rocket man, burning out his fuse up here alone
Do Fa
And I think it's gonna be a long, long time
Do
'Till touch down brings me round again to find
Fa
I'm not the man they think I am at home
Do Re
Oh no, no, no, I'm a rocket man
Fa Do
Rocket man, burning out his fuse up here alone
Fa Do
And I think it's gonna be a long, long time
Fa Do
And I think it's gonna be a long, long time
Fa Do
And I think it's gonna be a long, long time
Fa Do
And I think it's gonna be a long, long time
Fa Do
And I think it's gonna be a long, long time
Fa Do
And I think it's gonna be a long, long time
Fa Do
And I think it's gonna be a long, long time
