

The Chamber - Lenny Kravits

Lam Fa Do Lam Fa Do

Lam

You killed a love that was once so strong
With no regret to what you did wrong

Fa Do

Should I stay and fight? Can we make this right?

Lam

You look through me like an open door
Do I exist to you anymore?

Fa

'Cause when I'm talking to you

Do

there's someone else that you're hearing

Lam

I gave you all the love I had
And I almost gave you one more chance

Fa

Then you put one in the chamber

Do

Lam

And shot my heart of glass this time will be the last

Lam

You played your game, used me like a pawn
Check mate you're done and then you were gone

Fa Do

Did I move too fast? I thought we would last

LAm

Now that you're through I can't feel your soul
Where there was love lies an empty hole

Fa

'Cause when I make love to you

Do

there's someone else that you're feeling

Lam

I gave you all the love I had
And I almost gave you one more chance

Fa

Then you put one in the chamber

Do

Lam

And shot my heart of glass this time will be the last

Lam

I gave you all the love I had
And I almost gave you one more chance
