Lam Sol Re
Measuring in a summer's day,
Lam Sol Re Do
only find it slips away to grey,
Lam Sol Re Do Re
The hours, they bring me pain.

Sol Do Re
Tangerine Tangerine,
Sol Do Re
Living reflection from a dream;
Sol Do Re
I was her love, she was my queen,
Sol Re
And now a thousand years between.

Lam Sol Re
Thinking how it used to be,
Lam Sol Re Do
Does she still remember times like these?
Lam Sol Re
To think of us again?
And I do.
