

John Lennon - Jealous Guy

Sol Mim Re
Re Mim

Sol Mim Re
I was dreaming of the past
Re7 Mim
And my heart was beating fast
Mim6 Re
I began to lose control
Mim Do
I began to lose control
Sol Rem Do Re6
I didn't mean to hurt you
Sol Rem Sib
I'm sorry that I made you cry
Sol Mim Sol6
I didn't want to hurt you
Do Sol
I'm just a jealous guy

Sol Mim Re
I was feeling insecure
Re7 Mim
You might not love me anymore
Mim6 Re
I was shivering inside
Mim Do
I was shivering inside
Sol Rem Do Re6
I didn't mean to hurt you
Sol Rem Sib
I'm sorry that I made you cry
Sol Mim Sol6
I didn't mean to hurt you
Do Sol
I'm just a jealous guy

Sol Mim Re
I was trying to catch your eyes
Re7 Mim
Thought that you were trying to hide
Mim6 Re
I was swallowing my pain
Mim Do
I was swallowing my pain
Sol Rem Do Re6
I didn't mean to hurt you
Sol Rem Sib
I'm sorry that I made you cry
Sol Mim Sol6
I didn't mean to hurt you
Do Sol
I'm just a jealous guy
