

Stand by me - John Lennon

La Fa#m Re Mi La

La
When the night has come
Fa#m
And the land is dark
Re Mi La
And the moon is the only light we'll see
La
No, I won't be afraid,
Fa#m
No, I won't be afraid
Re Mi La
Just as long as you stand, stand by me.

La
And darling, darling, stand by me,
FA#m
Oh, stand by me.
Re Mi
stand, stand by me,
La
Stand by me.

La
When the sky that we look upon
Fa#m
Should trumble and fall
Re Mi La
Or the mountain should crumble in the sea,
La
I won't cry, I won't cry,
Fa#m
No I won't shed a tear
Re Mi La
Just as long as you stand, stand by me.

La
And darling, darling, stand by me,
Fa#m
Oh, na na stand by me.
Re Mi
Oh, stand, stand by me,
La
Stand by me.

La
Whenever your in trouble won't you stand by me
Fa#m
Oh now now stand by me
Re Mi LA
oh stand by me stand by me
La
Darling Darling stand By Me
Fa#m
Oh Stand by me
Re Mi La
Stand by me Stand by me

La Fa#m Re Mi La (a sfumare)
