

In The Name Of Love - Lorenzo Licitra

Rem Lam Do Sol

Rem Lam
Can you still see the dreams
Do Sol
We shared so long ago
Rem Lam
Lost in the clouds of time
Do Sol
While we took time to grow
Rem Lam
Can you still see the days
Do Sol
We stayed and played ourselves
Rem Lam
In promises of gold
Do Sol
For things we did not know.

Rem Lam
Forever young the dreams we share
 Do
Into the night we say a prayer
 Sol
You are the hand inside my glove
 Rem Lam
We make our dream in the name of Love

Do Sol
Love is all we need
 Rem Lam
In the name of love
 Do Sol
We fight we cry we pray
 Rem Lam Do Sol
In the name of love

Rem Lam
Do you believe that love
Do Sol
Has brought us back around
Rem Lam
Can you believe the time
Do Sol
We've lost has now been found
Rem Lam
Will you believe that
Do Sol
I'll take care of you right now
Rem Lam
Three words we used to say

Do Sol
No need to make a sound

Rem Lam
Forever young the dreams we share

Do
Into the night we say a prayer

Sol
You are the hand inside my glove

Rem Lam
We make our dream in the name of Love

Do Sol
Love is all we need

Rem Lam
In the name of love

Do Sol
We fight we cry we pray

Rem
In the name of love

Fa
Will you believe me in my name

Sol
We are so young, we have no shame

Rem Lam
So we pray, in the name of Love

Do Sol
Love is all we need

Rem Lam
In the name of love

Do Sol
We fight we cry we pray

Rem Lam
In the name of love

Do Sol
Love is all we need

Rem Lam
In the name of love

Do Sol
We fight we cry we pray

Rem
In the name of love
