

## The Loneliest - Måneskin

Re  
You'll be the saddest part of me  
Fa#m Sim  
A part of me that will never be mine  
It's obvious

La  
Tonight is gonna be the loneliest  
Re Fa#m  
You're still the oxygen I breathe  
Sim  
I see your face when I close my eyes  
It's torturous

La  
Tonight is gonna be the loneliest  
Re Fa#m  
There's a few lines that I have wrote  
Sim  
In case of death, that's what I want,  
La  
that's what I want  
Re Fa#m  
So don't be sad when I'll be gone  
Sim La  
There's just one thing I hope you know, I loved you so

Re  
'Cause I don't even care about the time  
I've got left here  
Fa#m  
The only thing I know now  
is that I wanna spend it  
Mim  
With you, with you nobody else here  
La  
Tonight is gonna be the loneliest

And all the crazy little things that we did together
